Mitchell update...early bird registration will open on Oct, 15th. This is for Mitchell only. Sponsorship is going well, but we are still looking for anyone interested. There will be a possible massage set up for after the ride. The board voted to set the price of the Marion ride at \$50 after considering the many SAGS and price of the meal afterwards. Katie showed us several different kits and we narrowed it down to two. She will get color swatches to Larry H. and we will decide on a final pick after seeing colors in person. The board voted on a new logo to be revealed on the kit this year...look for this coming soon!

Meeting adjourned.
