One-day licenses may be purchased online through the USA Cycling registration system or onsite at any USA Cycling sanctioned event and are valid for a single day of racing. One-day beginner license (\$10) may only be purchased by the lowest category of racer for that discipline. Experienced one-day race license (\$25) may be purchased online **only** , and only by former members to race in categories excluded by the Beginner license.

Please have your USAC license with you at registration.

Save \$ Pre-Register at USACycling.org
