Discussion was held about SAG for AOMM training rides. Karl proposed the club support the SAG driver in the amount of \$25/ride for about 5 rides.

Club T-shirts: 62 T-shirts were ordered. Club will accept cash, check, credit card.

Earth Day, 5/4/19, 10 am – 3 pm: Karl will man the tent at University Unitarian Church.

Criterion: Tent will be on the library side of broad street. Club will provide food— subs, chips, cookies, soda, water.

Earth day, May 4 @ UCC Church. Karl is going to take an e-bike.

The club received a donation from NetworkForGood. It came from donation matches by members of NetworkforGood.

Hit and Run: A cyclist was killed in Boiling Springs near Rainbow Lake Rd and Bible Church Road. The uninsured motorist was arrested.

Membership: We have about 190 members.

PCC/Paul Lefrancois: DUI-E/H3355 bill (driving under influence of electronic devices) is still in the state house. It is in the House Judiciary Committee. Best way to get it to move is to keep contacting members of the committee. The senate has a hands-free cell phone bill. H3656—"complete streets" bill. DOT is required to develop a plan to take into account all road users. Club members are encouraged to reach out to their legislators. H4383—Public Safety will conduct a study on distracted driving.

Safety Committee billboards: Billboards are geared toward distracted driving in general...not just cycling.

Dave Coggins/Safety Update: Ride for Safety, July 4, 2019. Need to purchase socks in advance like last year. Motion was approved.

Bearden Josey/Cheri: Pre-Mother's Day Ride on Saturday, May 11 at 9 am. 2 routes—11 miles and 25 miles. Register on the Bearden Josey website.

Meeting adjourned with no further business.
