Safety Ride had 130 riders. Insurance cost \$4.21/rider for non-members. Consider having the safety ride from Tyger River Park in Reidville to pull riders from Greenville.

After Crit Ride: Laura Ringo would like the Freewheelers to host a ride after the criterium.

Tour de Paws is on 9/21/19. The Freewheelers will pay for insurance for the ride.

The meeting was adjourned with no further business.
