Elections will be held next month.

Safety Ride: Thursday, July 4, 8:30 am. Socks will be arriving soon. Trek store has donated a headlight and taillight for the raffle at the beginning of the ride. Need some help with registration. Pelican snow balls is lined up.

We'll look at changing the route so it is not so hilly. Keep a common SAG stop.

Safety Update, Dave Coggins: A local rider lost his lights when he was hit by a car. Dave gave him 2 replacement lights. Board approved reimbursement to Dave for the lights.

Discussion was held regarding engaging vs. confronting aggressive drivers.

Lamar advertising has agreed to give the FW a refund, since they have taken down several billboards early.

"After Criterium" Ride: PAL has asked that we create a ride on the Sunday after the Crit in 2020. Karl will plan a meeting with PAL. Anyone who wants to be on the committee should get in touch with Karl.

Copyright Update: Issue has been settled for \$500.

Membership: the club now has approximately 200 members. There is some ambiguity on how many members we have. Is a family counted as one member or multiple members? To be determined.

Hub Cycle: Morningside church donated 20 bikes. The Hub Cycle program is now active. A bike, helmet and lock are sold for \$20 to someone who wants to purchase it.

Paul LeFrancois: Legislative season ended in May, 2019. SCDOT will put more info in their manual regarding bicycle & pedestrian accommodations.
